

Student Internet and Electronic Use Agreement

I _____ have reviewed the Wasatch Charter School Policy on the use of electronic devices and the use of school computers and internet. I understand that I may possess electronic devices at school subject to the following:

- Electronic devices must be turned off and kept in backpacks during school hours except under the supervision of the teacher in the classroom.
- Electronic devices may not be used in a way that threatens, humiliates, harasses, intimidates, or violates local, state or federal law of school-related individuals, including students, employees, and visitors.
- Electronic devices may not be used during Utah Performance Assessment System for Student assessments unless specifically allowed by law, student Individual Education Plan, or assessment directions.

If I violate this policy, his/her electronic device may be confiscated. I further acknowledge that I shall be personally and solely responsible for the security of electronic devices brought to school. The school shall not assume responsibility for theft, loss, damage, or unauthorized calls made with an electronic device. If devices are loaned to or borrowed and misused by non-owners, device owners are jointly responsible for the misuse or policy violation(s).

I may also at times use school computers and school networks for educational purposes. In the use of these devices and technologies I agree to the following:

1. Students are strictly prohibited to:
 - Access or create files or materials without authorization.
 - Attempt to hack into any school systems.
 - Access or create offensive, profane, or pornographic files.
 - Plagiarize works or violate copyrights or trademarks.
 - Attempt to bypass computer security.
 - Have food or drinks near computers.
2. There will not be an expectation of privacy in files, disks, documents, internet history, etc., which have been used or created with Wasatch Charter School equipment.
3. All documents, files, folders created with school hardware/software remain the intellectual property of Wasatch Charter School.
4. Vandalism will result in appropriate disciplinary action. Vandalism includes, but is not limited to: abusive overloading of data on the server, uploading or downloading

- or creation of computer viruses, any malicious attempt to harm or destroy the property.
5. Students are prohibited to use another individual's account or login information other than his/her own at any time. Any security concerns must be reported to the director, teacher/supervisor, or system administrator.
 6. The use of the computers and internet is a privilege, not a right. Inappropriate use of these resources may result in disciplinary action (including the possibility of suspension or expulsion), and/or referral to legal authorities. The director, teacher/supervisor or systems administrator may limit, suspend, or revoke access to electronic resources at any time.
 7. Users are liable for any misuse of the systems.
 8. Parental permission is obtained for the publication of student work and photos.
