In order to be eligible to interview for a position on the Board of Directors, an individual must first complete a background check. Thereafter, Board Members must submit to a background check each time their term on the Board is renewed. The School will pay the cost of the background check for sitting Board Members. The Board will consider whether any convictions revealed on the background check should disqualify a Board Member or applicant for a Board position.

Individuals Subject to Background Checks

The School requires a criminal background check on each new employee who is licensed by the Utah State Office of Education ("USOE") as required in connection with USOE's licensure requirements.

Additionally, the School requires a criminal background check on each new non-USOE-licensed employee and each volunteer who will be given significant unsupervised access to a student in connection with the volunteer's assignment. Such employees and volunteers must submit to a new background check at least every two (2) years.

Where reasonable cause exists, the School may require an existing employee or volunteer to submit to a criminal background check more often.
