1.0 Purpose

Wasatch Charter School takes seriously the legal responsibility of its personnel to protect the physical and psychological well-being of its students. We believe the school’s personnel have an important role to play in the elimination of child abuse because they are in a unique position to observe children over extended periods of time on a daily basis.

3.0 Policy Content

Utah law requires that whenever any person, including any school employee, contracted or temporary employee, or volunteer who has reason to believe that a child has been subjected to incest, molestation, sexual abuse, physical abuse, or neglect, or observes a child being subjected to conditions or circumstances which would reasonably result in sexual abuse, physical abuse, or neglect, he or she shall immediately notify the nearest police officer, law enforcement agency, or the Division of Child Family Service. The law provides serious penalties for failure to fulfill one’s duty to report.
