## **Strings Festival for Strings I (middle school)**

The APA music festivals are designed to stimulate a higher level of music making in Utah Charter Schools. Ensemble performing is one of the most important aspects of any musician's training. Enhancing the level of teaching and performance in this critical area is a major goal of all serious musicians. Strings I class will be departing for APA (American Preparatory Academy: 3100 S Bangerter Hwy) promptly at **8:30a** on Friday, March 3. We have been assigned a 9:30a performance time, with a 9:00a warm-up. Immediately following our performance will be a 20 min strings clinic with the judges.

### **Concert Attire:**
