

When you recycle please remember to clip and save the Box Tops. Box Top collection is **February 24th 2017**. The next collection will be in fall of 2017 (date TBD).

Wasatch Waldorf Charter School's current goal for Box Top's is \$1,000, which means a school of 500+ students each student would ideally contribute 20 Box Tops equaling about \$2 per child. To-date we've collected \$110.00.

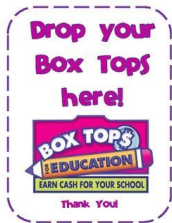

Here is what to do next, ask your Grandparents, Family, and Friends for the Box Tops they have collected and saved and donate them to Wasatch Waldorf Charter School Fundraising.

Notice we didn't ask you to "trim neatly" on the dashed lines.

Now get them ready to be submitted. Box Tops requires them to be submitted in labeled (50) banded or bagged bundles of 50 Box Tops (**No more than 50 in each bag or banded bundle**).

Finally drop them off, look for the Box Top recycling container in the Wasatch Waldorf Charter School's front office. Please have them dropped off by October 28th 2016.

The Fundraising Box Top coordinators need to have the collected Box Tops, packaged and postmarked by November 1st 2016.

Thank you again for recycling responsibly.
