

Last Week to Purchase Yearbooks!

It is the last week to pay for yearbooks. These will be distributed during the last week of school. Our amazing Yearbook Committee chair, Catalina DeLaTorre, has worked incredibly hard to create a book filled with memories from this year for the children. Be sure to order for your students, either by bringing cash or check to the office, or by paying online here:

<https://secureinstantpayments.com/sip/cart/event.php?EID=2636>

Many Thanks!

Thank you to the teachers and parents who have been bringing such lovely treats and flowers to the office for Administrative Professionals Week. It has been so sweet, and our hearts are touched!

May Fair

The May Fair at a Waldorf school is a celebration of the end of winter, the beginning of spring, and the children's connection to nature.

Our May Fair is Saturday, May 6, from 10:00am to 2:00pm in the school parking lot and field.

Wear all white clothes!

Bring a blanket to sit on the grass! There will be music/singing performances, storytelling, and lunch to purchase from food trucks.

There will also be Maypole dancing for the children to participate in, face painting, free games and ticketed games (bring cash to purchase tickets for games).

If you are in need of **volunteer hours** and would like to help with the May Fair by volunteering or lending items that are needed, please sign up here: <http://wasatchwaldorf.org/volunteer-opportunities/>

There will be no parking at the school as the parking lot will be filled with food trucks and a vendor market. Please plan ahead to part off-site and walk to the school. Thank you!

Seedling Sale at the May Fair

From Mrs. Bell:

The children have been working hard in gardening class this spring and have started over a thousand plants and garden seedling that will be available for purchase during the May Fair on Saturday May 6th. We will be offering many different and unique varieties of tomatoes, eggplant, peppers, cucumbers, basil, summer squash, winter squash, and other fun veggies...

All-School Assembly

We will be carrying on the Waldorf tradition of an end-of-year assembly where every class presents a song/dance/poem/etc., to the rest of the school and families.

Our All-School Assembly is on Saturday, June 3 from 2:00pm to 4:00pm

More details will be coming, but **TICKETS ARE REQUIRED!**

Each family will be allotted 3 tickets (students in the school do not need a ticket for entry). Tickets can be picked up beginning at the May Fair, or in the school office starting May 8.

Summer Housing for Teacher Training

From the director of the Waldorf teacher training program:

Dear Wasatch Families,

GRADALIS Waldorf instructors will be flying in to provide Waldorf training for teachers at your school this summer. As the cost of the training is high, we are seeking accommodations for our instructors in homes from June 22nd through July 8th.

Please, if you are going on vacation anytime during that window of time, or know someone else who is and would be willing to allow us to house sit (maybe from your church or family), we would so greatly appreciate this opportunity. We will certainly be willing to stay one place one week, and move to another the second if needed. It is also possible to pay a small amount, especially for cleaning before you/they return home at the end of our stay.

We promise to take good care of the home(s) and will be ever grateful for your kindness and good will. It is such an opportunity for your teachers to receive their Waldorf training right in their home town.

Contact me for questions or to make arrangements. Thank you in advance for your efforts on our behalf.

Sincerely,
Donna Newberg-Long
GRADALIS Executive Director
