

## **Friday Notes August 25**

Welcome back to school! We have had a wonderful week, and we hope your children have enjoyed being back as much as we've enjoyed greeting them. Some items to note for this week:

### **Traffic Notes**

Please remember that **all students are to be dropped off at the back of the building**. No cars should be dropping off students by the front doors. Students who are walking should also walk to the back of the building to enter there with everyone else.

The upper-grade students in the neon green vests are our Traffic Ninjas! They are there to help unload students, and have been trained to open doors for younger students and help expedite the process. **Please be kind** to them as they fulfill their volunteer jobs!

Please note that **students cannot be checked out of school after 2:45pm Monday through Thursday, or after 12:45pm on Fridays**. This gets too close to pick-up time, which increases the traffic congestion in the parking lot. It is also very disruptive to teachers trying to wrap up the day. If your student needs to be checked out early, you will need to check them out more than 30 minutes before school ends.

### **Help Wanted**

We are still **seeking a Recess and Hearth Assistant** to work with us part time. This position pays \$11 per hour, with hours from 8:15am to 1:15pm Monday through Friday. The first part of the day would be in one of the classroom Hearth areas, being an assistant to the classrooms around that hearth. The second part of the day would be outside on recess duty. Please reply to this email if you are interested in the position!

### **Openings for 2nd Grade Students**

While most of the school still has a very long waiting list, we do have some **seats available in 2nd grade**. If you have friends or family of that age who may be interested in attending our school, direct them to our website to fill out the 2017-18 application which is still available.
