

Come learn more about Waldorf education!

Please join us for a Panel Discussion on Tuesday evening (September 26) at 7:00pm in the auditorium. We will have experienced Waldorf teachers and Waldorf school graduates with us to answer your questions and share their experience. This was a favorite parent enrichment opportunity last year, so we are continuing the tradition and hope you will join us!

Seeking Harvest Festival Vendors and Musicians

If you have a business or are a maker of any kind, consider renting a booth at our Harvest Festival on October 27 and 28. Click here for full information: <http://www.wasatchfamilyfoundation.org/vendors.html> or email Heather Edwards with any questions: heatedwards@gmail.com

We are working on putting together a group of musicians from our staff and parent community, to play during the Harvest Festival. If you would like to join the band, please reply to this email by October 6.

Share your home with a new teacher

Our new 7th grade teacher will be arriving from the Netherlands on October 21, and he is hoping to find a family in our community that may be willing to open their home to himself and his girlfriend for their first 2 weeks in the country. They are requesting 1 bedroom, and plan to provide for themselves in every other way (meals, etc.); he has also promised to pack some Dutch goodies to share in thanks for hospitality! If you have a spare bedroom to share, feel free to reply to this email or to email Roel directly at roptende@wasatchwaldorf.org

After School Enrichment Class registration available!

The Wasatch Family Foundation is offering several fabulous after school classes, with the earliest offering beginning October 3. Options include running, movement, a STEM class using LEGO, science, magic, guitar, and archery. All classes are one day per week, held at the school, 1 to 1.5 hours in length. Click here for more information and to register: <http://www.wasatchfamilyfoundation.org/after-school-enrichment.html>

Sage Test Scores available

The scores from the 2016-17 school year have been made available by the state. If your child was a student in our school during testing time last spring, their test results will be available to you at Parent Teacher Conferences in October. You may also stop by the office to request them if you would like to see them before that time.

New State Training for Parent Volunteers

Parent volunteers will need to review the three attachments below, for new guidelines from the state on Student Data Disclosure. Two of the attachments are very brief (2 to 3 minute) videos that make the information very clear and easy to understand. Please take a moment to read and watch.
